GENERAL INFORMATION

Alcohol-free Tempranillo from Aldea is crafted from carefully selected grapes grown in optimal sun-drenched vineyards, where they reach ideal ripeness. Harvested by hand to ensure the highest quality, the grapes are gently pressed and fermented under controlled temperatures. A specialized de-alcoholization process preserves the characteristic aromas and flavors of the Tempranillo variety, while aging in high-quality tanks allows the wine to develop a harmonious, full-bodied profile. With its elegant, alcohol-free composition, this wine is perfect for social occasions, quiet evenings, or pairing with a variety of Mediterranean dishes.

TASTING NOTES

In the glass, Aldea Alcohol-Free Tempranillo shows a deep ruby red color, typical of the Tempranillo grape.

The nose reveals a seductive bouquet of ripe cherries, juicy plums, and subtle spice notes, inviting a refined tasting experience. On the palate, it is harmonious and full-bodied, with balanced fruitiness complemented by a fine tannin structure and smooth finish. Its versatile profile pairs beautifully with Mediterranean dishes such as tapas, grilled vegetables, and cheese or sausage specialties, as well as heartier meals like braised lamb or pasta with tomato sauce, offering an elegant and refreshing alcohol-free alternative for wine lovers.
