GENERAL INFORMATION

The Muscat Frizzante Alcohol-Free from Aldea is a sparkling delight crafted from carefully selected Muscat grapes grown in sun-kissed vineyards. Cultivated with great care to preserve the grape's natural character, the fruit is harvested at peak ripeness to ensure freshness and a vibrant fruity profile. After gentle pressing, a controlled fermentation process allows the production of an alcohol-free variant that retains the unmistakable Muscat aromas. The wine is then aged in modern tanks, where it develops its fine bubbles before bottling.

In the glass, it displays a bright golden color that immediately evokes anticipation for its refreshing enjoyment. The bouquet is aromatic and expressive, offering notes of ripe peaches and sweet oranges, perfectly harmonized with delicate floral nuances that lend subtle freshness. On the palate, it is pleasantly sparkling and well-balanced, with a gentle sweetness that gives it an inviting lightness. The Muscat Frizzante Alcohol-Free from Aldea is not only a sensory delight but also the perfect choice for those who wish to forgo alcohol without sacrificing flavor, elegance, or enjoyment.

TASTING NOTES

The Muscat Frizzante alcohol-free from Aldea is a true multi-talent when it comes to food pairing. It pairs excellently with light dishes such as a fresh salad with goat cheese or an appetizer of carpaccio. It is also the perfect accompaniment to Asian dishes that have a sweet-and-sour note. For a sweet conclusion, a dessert made of fresh fruits or a light fruit cake is recommended. Enjoy this sparkling delight at your next occasion or during a relaxed dinner with friends – the Muscat Frizzante alcohol-free from Aldea will undoubtedly create a cheerful atmosphere!
