GENERAL INFORMATION

Bodega Delgado Zuleta's Fino Sherry is a classic expression of the Jerez region, crafted from 100% Palomino grapes and aged under a protective layer of flor yeast. This traditional biological ageing process gives the wine its distinctive character and remarkable finesse, reflecting centuries of sherry-making expertise. Pale straw-gold in colour, it captures the essence of Andalusian winemaking with precision, freshness, and authenticity.

TASTING NOTES

On the nose, it reveals delicate aromas of almonds and green olives with a subtle saline edge. The palate is crisp, dry, and refreshing, marked by lively acidity and lingering notes of toasted nuts and brine. Elegant and versatile, this fino is ideal served chilled as an aperitif or paired with seafood, tapas, cured meats, fish, and cheeses, showcasing the refined complexity that defines fine Spanish sherry.
