Palomino

JEREZ

18.5% ABV

## GENERAL INFORMATION

This expressive Oloroso from Delgado Zuleta is crafted from a careful selection of the winery's most structured musts, specifically chosen for oxidative ageing from the very beginning. Made from 100% Palomino grapes, it matures for between 12 and 14 years in oak casks using the traditional criaderas and solera system. Bottled at 18.5% ABV in 75 cl format, this is a deeply gastronomic wine, built with body, character, and remarkable ageing complexity.

## TASTING NOTES

Amber in colour, the nose is rich and layered, dominated by notes of walnut and hazelnut, intertwined with elegant hints of oak and oxidative nuances. On the palate it is dry, smooth, and rounded, offering impressive depth and structure. The finish is exceptionally long and persistent, leaving lingering nutty and savoury impressions. Its bold personality makes it an outstanding partner for hearty dishes such as braised pork cheeks or oxtail, while it also pairs beautifully with mature, cured cheeses.
