Desde  1870

Chardonnay y
Parellada

PENEDES

13.5% ABV

GENERAL INFORMATION

Familia Torres Gran Viña Sol is a distinguished white wine from the Penedès region in Catalonia, Spain, crafted from 100% Parellada grapes sourced from the estate's best vineyards. With a family tradition dating back to 1870, the Torres estate combines centuries of experience with careful vineyard selection and modern winemaking techniques. The wine is aged on its lees for four months, enhancing complexity, texture, and aromatic depth, while preserving freshness and balance. Its bright golden color and aromatic profile reflect both the sun-drenched Penedès terroir and the family's commitment to quality and heritage.

TASTING NOTES

Gran Viña Sol shows a clean, brilliant golden-yellow color with gold reflections. On the nose, it reveals tropical fruit aromas such as mango and passion fruit, complemented by herbaceous notes of fennel and subtle spices. The palate is fresh, fruit-driven, and well-balanced, with a silky, unctuous texture and elegant acidity. Flavors of vanilla, pineapple, and butter pastry emerge on the long, persistent finish, making it a refined wine that pairs beautifully with seafood, grilled vegetables, salads, and light pasta dishes.
