CONCA DE  
BARBERÀ

13.5% ABV

## GENERAL INFORMATION

Milmanda Chardonnay is a prestigious white wine from DO Conca de Barberà, produced by Familia Torres as part of their Antología collection, which showcases the winery's most emblematic and terroir-driven wines. The grapes come from the Milmanda vineyard, planted exclusively with Chardonnay over 40 years ago at the foot of Milmanda castle. The 15-hectare vineyard benefits from lime-rich calcareous clay soils with moderate drainage and high water retention, protected by the Sierra de Prades. The combination of continental and Mediterranean climatic influences ensures optimal ripening and a distinct expression of this historic terroir, reflecting centuries of tradition and care.

## TASTING NOTES

Straw-golden in colour, Milmanda Chardonnay offers a complex bouquet of ripe orchard fruits, citrus, and subtle floral notes, enhanced by gentle toasty and vanilla nuances from oak ageing. Fermented primarily in barrels and foudres without malolactic fermentation, then aged for 12 months on its lees, the palate is creamy yet precise, with a balanced structure, bright acidity, and lingering elegance. This wine pairs beautifully with seafood, white meats, creamy dishes, and refined vegetarian fare, capturing both the heritage of the Milmanda vineyard and the meticulous winemaking of Familia Torres.
