FAMILIA  
TORRES

Desde  1870

Garnacha Tinta  
y Cariñena

PENEDES

13.5% ABV

## GENERAL INFORMATION

Sangre de Toro Original is an iconic red wine from DO Catalunya, produced by Familia Torres since 1954. Crafted from Garnacha Tinta and Cariñena grapes, it reflects the authenticity, passion, and cultural richness of Spain. The vineyards benefit from the diverse landscapes and microclimates of Catalunya, spanning from Mediterranean coasts to the Pyrenees foothills, which lend the wine its distinctive character and depth. Fermentation takes place in temperature-controlled stainless steel tanks for one week at 24°C, followed by partial ageing—20% of the wine—in used barrels (14% French, 6% Eastern) for six months, creating a harmonious balance of fruit, structure, and subtle oak influence.

## TASTING NOTES

Deep cherry in colour, Sangre de Toro Original offers inviting aromas of red fruits, particularly strawberries, layered with a gentle black pepper spice. The palate is warm and firm, with fine acidity and a smooth, balanced finish. Its versatility makes it an excellent companion to stews, game meats, spicy dishes, meat paellas, and semi-cured cheeses. Best served at 15–17°C, this wine continues to celebrate decades of Spanish winemaking tradition, combining heritage, consistency, and expressive flavour in every bottle.
