GENERAL INFORMATION

Sons de Prades is an elegant Spanish white wine from Catalunya made exclusively from Chardonnay. Sourced from high-altitude vineyards in the Prades Mountains, this wine reflects a unique, cool-climate environment that allows the grape to ripen slowly while preserving freshness and aromatic intensity. Crafted with the expertise and heritage of Familia Torres, established in 1870, it combines traditional knowledge with modern winemaking precision. The result is a refined Chardonnay that expresses both varietal purity and a strong sense of place.

TASTING NOTES

Straw-coloured with golden highlights, Sons de Prades opens with fresh floral aromas intertwined with ripe pineapple and subtle orchard fruit notes. On the palate it is luscious yet well-defined, offering delicate extract, vibrant freshness and a beautifully balanced structure. The finish is clean and dry, leaving a lingering impression of elegance and finesse. This Chardonnay pairs wonderfully with seafood, creamy rice dishes, white meats and lightly spiced Mediterranean cuisine.
