

# Lopez De Haro Rose

## vintae

Viura y  
Garnacha  
Blanca

RIOJA

12.5% ABV

### GENERAL INFORMATION

Hacienda López de Haro Rosado is the most summery wine in the collection, perfect for enjoying on warm days—or, as we like to do, anytime you feel like a treat, rain or shine. Made from Viura and Garnacha grapes sourced from old, low-yield vineyards in the Alto Najerilla area, planted mainly on clay-ferrous soils, the grapes are hand-harvested throughout October. Vinification begins with a 24–48 hour maceration at low temperatures (around 10°C), followed by gentle draining to extract a bright pink must, which ferments for 20 days at 16°C to preserve freshness and aromatic intensity.

### TASTING NOTES

In the glass, the wine displays a pale, clean pink colour. On the nose, it is intense and expressive, dominated by red fruit aromas, with hints of banana and subtle floral notes. The palate is silky and pleasant, combining excellent balance with a sweet yet fresh character, making it both luscious and refreshing. Ideal for summer lunches, picnics, seafood, salads, or simply as an aperitif, this Rosado is a versatile, joyful wine that goes down effortlessly in any season.
