INURRIETA
BODEGA Y VIÑEDOS

Cabernet
Sauvignon,
Garnacha,
Graciano, Merlot,
Syrah y
Tempranillo

NAVARRA

14% ABV

GENERAL INFORMATION

This wine is produced from vineyards situated at an altitude of 400 metres, where the conditions allow for a long and balanced ripening cycle. This slow maturation enhances the concentration and complexity of aromas and flavours in the grapes. Vinified with care, the wine is aged for 14 months in a combination of French and American oak barrels, achieving harmony between fruit expression and oak influence.

TASTING NOTES

Deep and dark in colour, the wine shows an elegant, sweet and fruity aromatic profile, complemented by a fine, perfumed imprint from its barrel ageing. On the palate it is lively and well balanced, with a meaty structure and excellent tannin quality. The finish is smooth and expressive, reflecting both the ripeness of the fruit and the refinement gained through ageing. Recommended serving temperature: 15–18°C.
