

# Inurrieta Coral

**INURRIETA**  
BODEGA Y VIÑEDOS

Cabernet  
Sauvignon y  
Garnacha

NAVARRA

13.5% ABV

## GENERAL INFORMATION

This rosé wine, vintage 2023, is crafted from Cabernet Sauvignon and Garnacha grapes. The production emphasizes delicacy and freshness: free-run must is collected after a brief cold soak of 2–4 hours with the skins, followed by a low-temperature fermentation lasting 15 days. The wine is then aged on its fine lees for three months, enhancing texture and complexity while preserving its vibrant and elegant character.

## TASTING NOTES

Pale coral pink in color, reminiscent of a summer sunset, this rosé immediately captures the eye. The nose is delicate and refined, with aromas of lilac, pink grapefruit, and white peach, underlined by subtle mineral notes. On the palate, it is fresh and silky, with gentle lees-induced creaminess, offering a harmonious and inviting mouthfeel. The finish is elegant and persistent, making it a wine that entices repeated sips. Best served at 8–10°C.
