

Inurrieta Norte

INURRIETA
BODEGA Y VIÑEDOS

Cabernet
Sauvignon y
Merlot

NAVARRA

13.5% ABV

GENERAL INFORMATION

This wine brings together Cabernet Sauvignon and Merlot, complemented by other varieties, as an expression of strength and northern character. A carefully measured ageing period of six months in quality French oak barrels helps to harmonize the structure of the wine, softening the natural power of the grapes while preserving freshness, balance, and varietal identity.

TASTING NOTES

Deep and youthful in colour, the wine shows rich and fruity aromas on the nose. On the palate, it delivers a powerful yet elegant attack, with an intense, full-bodied profile. The mouthfeel is refined and harmonious, supported by fresh acidity and well-integrated oak, leading to a balanced and satisfying finish. Recommended serving temperature: 15–18°C.
