

# Inurrieta Orchidea

**INURRIETA**  
BODEGA Y VIÑEDOS

Sauvignon  
Blanc

NAVARRA

13% ABV

## GENERAL INFORMATION

This elegant and expressive wine is made from 100% Sauvignon Blanc and crafted to highlight the variety's aromatic intensity and finesse. Fermentation takes place under carefully controlled temperatures between 14 and 16°C to preserve freshness and varietal purity, followed by ageing on fine lees for 3–4 months in tank. This process enhances texture and aromatic depth, resulting in a wine that is both vibrant and refined. With an alcohol content of 12.5% vol., this 2024 vintage showcases a daring yet noble expression of Sauvignon Blanc.

## TASTING NOTES

Bright, crystalline yellow-green in colour, the wine immediately captivates with its aromatic complexity. The nose is frank and highly expressive, revealing tropical fruits such as pineapple and passion fruit, layered with citrus notes of grapefruit and distinctive vegetal hints of boxwood. On the palate, it is remarkably creamy and smooth, with lees ageing adding depth and roundness while maintaining freshness and precision. A bold yet harmonious Sauvignon Blanc with character and charm. Recommended serving temperature: 8–10°C.
