GENERAL INFORMATION

"Baby White" is a young, white Grenache wine from Mas d'en Gil, representing the village of Bellmunt in southern Priorat. Classified as a Vi de Vila ("Village Wine"), it is made entirely from grapes grown within the village boundaries, sourced from two young vineyards planted in 2000 and 2008. The vines grow on llicorelles (various slate soils) with low yields of 30 hl/ha, producing a fresh and expressive wine that reflects the unique terroir of the region.

TASTING NOTES

Pale and vibrant, Baby White displays aromas of orange peel and forest floor, with a slightly mineral palate and a refreshing Mediterranean herb finish. Light and versatile, it pairs beautifully with seafood, fish, sushi, sashimi and spring vegetables such as asparagus. Best served cool at around 12 °C in a Burgundy-style glass, it is perfect for breakfast, lunch or dinner.
