## GENERAL INFORMATION

This “baby wine” from Mas d'en Gil showcases the young Grenache and Carignan vineyards of Bellmunt in southern Priorat. Classified as a Vi de Vila (“Village Wine”), it is made entirely from grapes grown within the village’s boundaries, from vines planted between 1994 and 1998. The vineyards sit on llicorelles (various slate soils) with low yields of 30 hl/ha. After fermentation, the wine spends 10 months in a combination of 3,000L, 1,500L and 225L barrels, followed by around 12 months of bottle aging.

## TASTING NOTES

Light and vibrant, this wine is open and approachable, offering a bouquet of citrus and peach notes with subtle mineral undertones. On the palate it is fresh, lightly textured and slightly sweet, reflecting the signature style of Mas d'en Gil. Perfect for any occasion, it is best served cool at around 14°C in a Burgundy-style glass and pairs effortlessly with breakfast, lunch or dinner.
