RIOJA

13.5% ABV

## GENERAL INFORMATION

Olarra Clásico Gran Reserva is made from a careful selection of Tempranillo, Garnacha, and Mazuelo grapes from premium Rioja vineyards. The grapes are harvested at optimal ripeness and fermented under controlled temperatures to preserve their natural aromas. After fermentation, the wine undergoes extended ageing in oak barrels followed by bottle maturation, allowing it to develop exceptional complexity, depth, and elegance. This Gran Reserva reflects the traditional Rioja style, offering sophistication, balance, and remarkable ageing potential.

## TASTING NOTES

The wine shows a deep ruby-red color with garnet highlights. The nose is complex and expressive, offering aromas of ripe red and black fruits, spice, vanilla, and subtle toasted oak. On the palate, it is full-bodied, well-structured, and silky, with polished tannins and a long, persistent finish. It pairs beautifully with hearty roasted meats, slow-cooked stews, cured charcuterie, and aged Spanish cheeses, making it a standout choice for traditional Spanish cuisine.
