SER PRIMERO

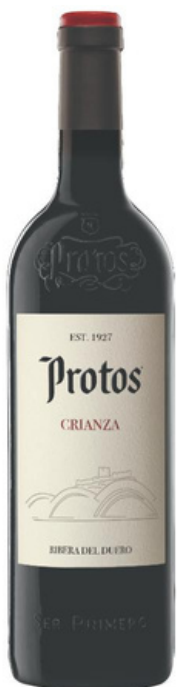

Tinta del Pais

RIBERA DEL
DUERO

14.5% ABV

GENERAL INFORMATION

This Burgos and Valladolid blend is crafted from carefully selected parcels planted 25 years ago. The grapes are hand-harvested and undergo cold skin contact maceration, followed by controlled fermentation in stainless steel vats to preserve the vineyard's pure character. The wine is aged for six months in a combination of French and American oak barrels, then an additional six months in bottle, achieving balance, structure, and subtle elegance. Its versatility makes it perfect for a wide range of occasions, from casual meals to more refined dining experiences.

TASTING NOTES

Bright cherry in color with a purple rim, this wine is frank and expressive on the nose, revealing red and black fruit complemented by gentle spice and lightly toasted notes. On the palate, it is fresh yet structured, with sweet oak and soft, pleasant tannins, delivering a smooth, approachable mouthfeel. Ideal with tomato-based dishes like pasta pomodoro or stuffed eggplant, as well as cured meats such as chistorra and salami, and a variety of cheeses, it offers a refined, fruit-forward experience that captures the essence of its terroir. Best served at around 16°C.
