GIN

40% ABV

## GENERAL INFORMATION

Tann's Gin, first launched in 1977, is one of the pioneering gins of the modern Spanish revival. Originally crafted to highlight the classic juniper character, the recipe has since been updated to appeal to contemporary tastes. Made from 100% grain alcohol and infused with a carefully selected blend of botanicals—including juniper, cucumber, raspberry, rose petals, orange blossom, cardamom, coriander seeds, mandarin peel, lemon peel, and liquorice root—this gin balances aromatic freshness with vibrant fruitiness. Each botanical is triple-infused to extract the full spectrum of flavours, producing a gin that is simultaneously crisp, aromatic, and complex.

## TASTING NOTES

Pale and transparent in appearance, Tann's Gin offers a nose of fresh juniper, bright citrus, and subtle floral notes from rose petals and orange blossom. On the palate, it is fruit-forward and lively, with crisp cucumber, sweet raspberry, and a warm, peppery juniper backbone. The finish is smooth, clean, and elegantly aromatic, making it perfect for sipping neat, in a classic gin & tonic, or as a base for inventive cocktails. Presented in its distinctive squat bottle with a purple gradient, Tann's Gin captures both tradition and modern style, reflecting its Catalan roots in Barcelona.
