

Torres 10

BRANDY

38% ABV

GENERAL INFORMATION

Torres 10 is a prestigious Spanish brandy crafted by Familia Torres, carrying forward a legacy that began in 1928 when Juan Torres started distilling grapes from the Penedès region. Produced using the traditional solera ageing system, Torres 10 exemplifies the skill and dedication of generations of Torres winemakers. This brandy has earned international recognition for its exceptional balance, depth, and refined character, making it one of Spain's most celebrated spirits. Its production honours centuries of tradition, from the early Aqua Vitae of the 14th century to the modern expression of Spanish brandy excellence.

TASTING NOTES

Torres 10 is visually deep amber with golden reflections. On the nose, it reveals rich aromas of toasted oak, dried fruits, and subtle hints of vanilla and spice. The palate is smooth, warm, and full-bodied, with well-integrated notes of nuts, caramel, and mellow wood. The finish is long, elegant, and balanced, reflecting the careful ageing and solera system used in its production. Ideal for sipping neat or as a distinguished addition to refined cocktails.
