ALKIZA

10.5% ABV

## GENERAL INFORMATION

Produced from vineyards in Alkiza and Getaria, this wine comes from vines averaging 25 years of age, planted at 0–200 metres above sea level and yielding approximately 10,000 kg/ha. Grapes are hand-harvested in 15 kg cases and fermented in stainless steel tanks to preserve freshness and varietal purity. Malolactic fermentation is avoided, and the wine is aged on its lees for three months, enhancing texture while maintaining vibrancy.

## TASTING NOTES

Bright and clear with a pale yellow colour and green glints, the wine offers intense aromas of lemon, lime, white flowers, and ripe tropical fruit, adding complexity and character. On the palate, it is round and mineral, with crisp, well-balanced acidity and a naturally low alcohol profile that gives a fresh, vibrant finish. It pairs beautifully with seafood, grilled fish, rice, and pasta dishes, and is best served well chilled.
