## GENERAL INFORMATION

Costa da Borneira is an Albariño produced by Pazo As Barreiras in Salvaterra de Miño, Pontevedra. The winery is set within a historic 17th-century manor surrounded by ten hectares of vineyards planted on clay soils that were once part of the Miño River bed.

These well-oriented vineyards are dedicated exclusively to Albariño, allowing the estate to focus on expressing the purity and character of this noble Galician grape. Crafted using modern techniques that preserve the wine's natural lightness and fruit-driven profile, Costa da Borneira reflects both the heritage of the estate and the freshness of its Atlantic-influenced terroir.

## TASTING NOTES

The wine shows a clean, bright straw-yellow colour with greenish reflections. On the nose, it presents medium-intensity aromas of citrus and stone fruit.

The palate is smooth and glyceric, with balanced acidity that provides freshness and elegance, leading to a lingering and pleasant finish. Costa da Borneira pairs beautifully with rice dishes, sausages, seafood, and fish, making it a versatile and food-friendly Albariño.
