

Villanueva Lulo 1915

VILLANUEVA
Bodegas

Treixadura

RIBEIRO

12.5% ABV

GENERAL INFORMATION

Lulo 1915 is an exceptional white wine from Spain's Ribeiro region, made exclusively from Treixadura grapes. The grapes are hand-harvested, fully destemmed, and gently pressed at low pressure to preserve their aromatic intensity and freshness.

Vinification begins immediately after harvest, and malolactic fermentation is not carried out, maintaining the wine's natural freshness. It rests for three months in stainless steel tanks and an additional month in bottle before release, resulting in a balanced, elegant wine that captures the essence of its terroir. Its freshness and structure make it an ideal companion for seafood dishes or enjoyable on its own as a refined aperitif.

TASTING NOTES

The wine shows an intense, bright straw-yellow colour. On the nose, it is highly aromatic, revealing elegant scents of white flowers, apple, and anise, with subtle background notes of citrus and stone fruits. The palate is smooth, fresh, and balanced, with a soft entry, lively citrus and stone fruit flavours, and a medium-long finish supported by well-integrated acidity. Lulo 1915 offers a refined, expressive, and memorable tasting experience, showcasing the purity and charm of Treixadura from Ribeiro.
