

Vina Nora Nora De Neve

viña·nora

Albariño

RIAS BAIXAS

13.5% ABV

GENERAL INFORMATION

This wine is crafted from carefully selected grapes grown on plots with low organic matter and a granite base covered with cobbles, an unusual soil formation that enhances grape maturation. The resulting wine reflects both the local terroir and innovative winemaking techniques, producing a complex and delicate expression. After harvest, the wine undergoes aging for six months on fine lees in 100% French oak barrels following the Burgundian method, which adds subtle oak influence while preserving freshness and aromatic purity.

TASTING NOTES

The wine shows a bright straw-yellow colour with golden reflections. On the nose, it is intensely aromatic, with ripe fruit notes such as medlar and tangerine, complemented by complex hints of garrigue herbs, bay, and subtle toffee and toasted aromas. On the palate, it is silky, full-bodied, and fresh, offering a harmonious balance between richness and vibrancy. This wine pairs beautifully with white or fatty fish, roasted seafood, lamprey, mild meats, and both smoked and semi-cured cheeses, making it versatile for refined dining occasions.
