

Volver Espeto Rosado

VOLVER

Bobal

VdIT CASTILLA

11% ABV

GENERAL INFORMATION

Espeto Rosado is produced by Bodegas Volver from 100% Bobal grown in the southeastern part of Cuenca (DO La Mancha), near Casas de Los Pinos. The vineyards were planted in 1994 on poor, deep sandy soils, with hot days and cool nights that help preserve freshness and aromatic clarity. Made using a short cold maceration and the gentle bleeding of the grapes, this minimal-intervention rosé captures purity of fruit, natural acidity and an easy-drinking Mediterranean style.

TASTING NOTES

Pale pink in colour, Espeto Rosado is dry and light, offering delicate aromas of strawberry, red berries and stone fruit, alongside subtle floral notes. The palate is fresh, soft and fruity, with a hint of creaminess adding roundness. Balanced, savoury and refreshing, it finishes clean and pleasantly long, making it a deliciously approachable and thirst-quenching rosé.
