

Volver Espeto Tinto

VOLVER

Tempranillo

VdIT CASTILLA

12.5% ABV

GENERAL INFORMATION

Espeto Tinto is produced by Bodegas Volver from 100% Tempranillo grown in the youngest vineyards of Finca Las Cruces in Castilla-La Mancha. The vines, around 20 years old, are planted at 650–750 metres above sea level on sandy and clay soils with calcareous subsoils, among the highest vineyards in the region. Made without oak, the wine focuses on freshness, purity of fruit and an easy-drinking, approachable style.

Available in 75cl bottles and 3×5 L Bag-in-Box formats.

TASTING NOTES

Bright ruby red in colour, Espeto Tinto offers expressive aromas of cherry, redcurrant, blackberry and blackcurrant, with subtle hints of dark chocolate and fresh herbs. The palate is light-bodied, supple and juicy, showing vibrant red fruit, discreet tannins and lively acidity. Fresh and thirst-quenching, it finishes clean and tangy with good balance and length, clearly expressing Tempranillo's bright, fruit-driven character.
