PACHARÁN NAVARRO

LIQUOR

25% ABV

## GENERAL INFORMATION

Zoco Pacharán is a classic Spanish liqueur crafted from 100% Navarrese sloe berries macerated in anise for three months, giving it its signature bright cherry-red color. Since 1956, Zoco has been celebrated for its carefully balanced profile, combining the natural fruitiness of ripe sloes with the gentle, aromatic presence of anise, creating a refined and approachable liqueur. This pioneering spirit was the first pacharán to be commercialized and continues to represent the heritage and tradition of Navarrese liqueurs.

## TASTING NOTES

On the palate, Zoco Pacharán opens fresh with a smooth, velvety texture and balanced acidity. Fruity cherry notes dominate, complemented by subtle aniseed and balsamic nuances. The finish is long and elegant, with the fruity aromas intensifying after tasting, leaving a lasting impression of both freshness and complexity. Ideal neat or over ice, it is also inspiring for creative cocktails, capturing the essence of a true Spanish classic.
