ARZUAGA

Albillo Mayor

RIBERA DEL
DUERO

13.5% ABV

GENERAL INFORMATION

This white wine is made exclusively from estate-grown Albillo Mayor grapes in Olivares de Duero, cultivated with respectful, organic viticulture. Grapes are hand-harvested in 10 kg boxes, sorted, and gently pressed to extract only the best qualities. The must undergoes natural decanting for 15 hours before being transferred to concrete tanks for alcoholic fermentation at temperatures below 13°C over 24 days. After fermentation, the wine is left on its lees in concrete tanks to enhance body, texture, and aromatic expression.

TASTING NOTES

Bright straw yellow with greenish hues, this wine shows a fresh, intense nose with primary aromas of apple, pear, and grapefruit, finishing with delicate floral and herbal notes. The palate is easy-drinking, fresh, and unctuous, with lively acidity and a persistent finish that recalls the fresh fruit aromas from the nose. Food pairings include seafood, fish in sauce, cured cheeses, white meats, and vegetable creams. Serving temperature: 8–12°C.
