GENERAL INFORMATION

Born in Granada, Alhambra Reserva 1925 is a premium amber lager with rich character, exceptional balance, and a refined, full-bodied taste.

Crafted using carefully selected malts, aromatic hops, yeast, and pure water. A longer maturation process allows the beer to develop greater depth, complexity, and smoothness.

TASTING NOTES

Aromas of toasted malt, caramel, and subtle floral hops.

On the palate, it is full-bodied, smooth, and well-balanced, with delicate bitterness and a long, elegant finish.
