

# Ladecan Enrique Mendoza

ENRIQUE  
MENDOZA  
VITICULTOR

Monastrell

Alicante

13.5 % ABV

## GENERAL INFORMATION

Ladecan 2024 is a single-vineyard "Vino de Paraje" from the foothills of Sierra del Castellar in Alicante.

The vineyards are dry-farmed and planted on sandy-loam soils, benefiting from the Mediterranean forest influence and cooler mountain shade during the hottest summer days.

Hand-harvested and fermented in small stainless steel tanks at controlled temperature to preserve freshness and fruit purity. Vegan certified.

## TASTING NOTES

Bright cherry-red colour with violet reflections and medium intensity.

The nose is fresh, aromatic and expressive, offering layers of wild Mediterranean herbs, fresh flowers, cracked black pepper and vibrant red berry fruit such as raspberry and red cherry.

Subtle balsamic and mineral notes add complexity and reflect the surrounding mountain landscape.

On the palate, the wine is fresh, juicy and approachable, with lively acidity and soft, well-integrated tannins.

Ripe red fruit flavours are balanced by a delicate spicy character and a smooth, rounded texture.

The finish is long and persistent, leaving hints of herbs, pepper and fresh berries.

Elegant, balanced and highly drinkable.
